

Training 2026

These free sessions are part of Nottingham's response to improving safety in our city. This training aims to provide businesses and employees in the Night-time economy with awareness of how to respond towards incidents of violence, harassment and abuse within venues and public spaces.

Attendance at this training is part of the requirement to become an accredited Safe Space Notts venue.

FREE
2 HOUR
SESSION
In person
& online

Attendees at the session will increase their understanding and awareness of:

- Recognising violence, harassment and abuse in venues and public spaces
- Consent and sexual harassment
- Bystander intervention & challenging inappropriate behaviour
- Myths and stereotypes that perpetuate gender-based violence
- Creating safe spaces
- Supporting victims and survivors
- Safe Space Notts initiative
